Emerald: Healthier Lives

Our publications curated here showcase our ‘Healthier Lives’ mission aligned to the UN’s Sustainable Development Goals, particularly SDG3: Good Health and Wellbeing. This research promotes the importance of a healthy mind, as well as a healthy body, and our goal is to help researchers, practitioners, service users and their families and carers share their work to influence real change in people’s health and wellbeing to bring about healthier lives for all.

Persuasive Gaming in Context

Creating Stealth Game Interventions for Attitude and Behavior Change: An ‘Embedded Design’ Model

Author(s): Geoff Kaufman, Mary Flanagan, Max Seidman
Publication date (Print): March 23, 2021
Publisher: Amsterdam University Press
Keywords: embedded design, persuasive games, stealth design, attitude change

Read this book at

Publisher Further versions

Abstract

The chapter will open with examples of transformational games that utilize overt, explicit approaches to attitude and behavior change. While acknowledging the worthwhile intentions of such games and their potential utility for triggering reflection and action, this overview will present the central premise of the chapter that...

A Three-Component Solvent for the Treatment for COVID-19: Is the Data in Place for Clinical Trial?
Thomas Manning, Jenu Thomas, Richardson, Steven Stogner (2021)
This letter outlines the potential use of a three-component solvent, with strong anti-viral properties, as an economical and efficient treatment of COVID-19. It presents a novel approach to solving one of the most pressing global health crises.
Conferences: Author submission or Editor upload

1st International Conference on Moisture in Buildings 2021 (ICMB21)

The 1st International Conference on Moisture in Buildings (ICMB21) to be held online in June 2021. The aim of the conference is to bring together academics and the researchbase working on any aspect of moisture induced damage on built environment.

Add new conference proceedings to conference 'ICMB21'
So where do we go in 2021?
Development Road Map

Collections
• Further customizations of INTEGRATOR tool
• Improve automation

Metadata & Books
• Refine metadata enhancement interface: References, ROR, FundRef IDs
• Improve handling of ONIX metadata for books

Hosting & Publishing
• Link Preprints and Publications
• Add automated plagiarism check
• Blinded Peer Review workflow
